

CAR and DRIVER[®]

NOVEMBER 1978 • ONE DOLLAR

• Car owners have discovered yet another way to personalize their chariots: **etched glass**. Robb Rich is a leader in this blossoming field. He recently completed work on Zsa Zsa Gabor's limo, etching the windows with all manner of roses, vines, birds, frills, and fur-belows. But for macho, macho men, he will etch knights on horseback, dragons, and "lots of naked women."
